TrakRyder EziFit Foam Shock Absorber

Part #	Make & Model	F/R	Description
807125	Toyota Hilux Gen 8	F	EziFit Spring & Foam Cell Shock Kit – Standard Height
807225	Toyota Hilux Gen 8	F	EziFit Spring & Foam Cell Shock Kit – Raised Height

The TrakRyder HiLiux EziFit Spring and Foam Cell Shock Kits are designed, developed and manufactured to provide precise control without compromising ride comfort. Supplied as a complete assembly of matched suspension components, the TrakRyder EziFit Spring and Foam Cell Shock Absorber kits are suited for all types of driving conditions – whether it is for severe off road or simply driving to work.

One of the added benefits of these kits is that you can choose your ride experience by selecting your preferred coil spring type to match your driving needs. A choice of – Standard or Raised ride heights are available to order with various kits.

Key Features

- Reduced installation time as the components are supplied pre-assembled and ready for direct fitment
- Included in each EziFit kit is Pedders TrakRyder Foam Cell heavy duty shock absorber. Featuring a huge 40mm bore and cellular foam membrane. This provides larger cooling areas to improve shock performance and durability.
- Construction technology & heavy-duty reinforced double-welded mountings for long-term durability.
- Rugged multi-purpose design improves stability and ride comfort for touring, load carrying, towing and 4wd applications.
- High quality upgrade replacement for original factory product.
- 2 Year / 40,000km Nationwide warranty.
