## eXtreme XA Adjustable Coilover Kits

A Pedders eXtreme XA Adjustable Coilover kit fitted to your vehicle provides exceptional ride and handling characteristics. With the ability to be able to raise or lower the car to suit your driving needs, the eXtreme XA kit is a valuable component for the street tuner or weekend track day racer.

The award winning Pedders eXtreme XA Adjustable Coilover offers exceptional ride and handling characteristics. With the ability to be able to raise or lower the car to suit your driving needs without changing the coil pre-load or lower spring seat position. 32 position adjustable bump and rebound damping is included with the simple click of the adjuster knob located on the top of the shock. This enables the driver to tune the ride to the driving conditions.

Click. Tune. Play with extreme XA from Pedders!
